

# Accident & Health

Starr Underwriting Agents Limited offer specialist Accident & Health cover for a wide range of benefits on both a direct and facultative reinsurance basis.

Starr has a broad appetite across a range of sub-classes, continually seeking to expand and diversify into new and profitable areas of business, all the while maintaining specialist underwriting discipline.

Supported by first-class capital, we are able to provide a service-driven proposition in both claims and underwriting. In doing so we aim to be at the forefront of business development, always seeking to forge lasting relationships with our Brokers however large or small.
